POWERFUL IDEAS FOR POWERFUL RESULTS

## FOAM PLYOMETRIC BOXES

Power Lift's Foam Plyo Boxes are an efficient, light-weight plyo box. Boxes are sold individually or in sets. A slip resistant top ensures that the boxes stay in place during workouts, and eliminates the need for Velcro straps. Handles on both sides of the box make them easy to move around a facility. Custom colors and logos are available for additional charges.

### KEY FEATURES:

- Large base for stability during jumps
- Slip resistant surface on top and bottom. Reduces the chances of stack boxes and user from sliding.
- High density foam used in base of 24" box to increase stability
- Custom logos available
